Q: How do I retrieve my MEID and Create a Password?

A: Use the following directions to discover your MEID and create a password.

---

Step 1: Click here to navigate to the https://my.maricopa.edu webpage.

---

Step 2: Then click on Create or Reactivate MEID (MAW) link to begin the MEID Account Wizard.

---

Step 3: Select all the check boxes that apply to you. Enter the code word in the box provided and click the Next.

---

Step 4: Enter your information in the fields (any field with an asterik * is required), then click Next.

---

Step 5: Review the Input Verification and if it is correct, click OK. Click Edit to make corrections.

---

Step 6: Enter additional information or make corrections (any field with an asterik * is required). Click Next.

---

Step 7: Review the Input Verification and if it is correct, click OK. Click Edit to make corrections.

---

Step 8: Select and answer two challenge questions and click Submit.

---

Step 9: Upon completion of the MEID Account Wizard your MEID and Student ID will be displayed. Note: It will take a minimum of twenty minutes before your account is available for use.
