my.maricopa.edu - Discover MEID and Create Password

Use the following directions to discover your MEID and create a password.

**Step 1:** Open an Internet browser and go to my.maricopa.edu. Click **Lookup/create MEID (MAW)** to begin the MEID Account Wizard.

**Step 2:** Select all the check boxes that apply to you. Enter the code word in the box provided and click **Next**.

**Step 3:** Enter your information in the fields (any field with an asterik * is required). Click **Next**.

**Step 4:** Review the Input Verification and if it is correct, click **OK**. Click **Edit** to make corrections.

**Step 5:** Enter additional information or make corrections (any field with an asterik * is required). Click **Next**.

**Step 6:** Review the Input Verification and if it is correct, click **OK**. Click **Edit** to make corrections.

**Step 7:** Select and answer two challenge questions and click **Submit**.

**Step 8:** Upon completion of the MEID Account Wizard your MEID and Student ID will be displayed. **Note:** It will take a minimum of twenty minutes before your account is available for use.
